

an argument is
valid when it is
impossible for its
premises to be
true and its
conclusion false

an argument is
sound when it is
valid and all of its
premises are true

1. If Notre Dame wins all of its football games, it will win the national title.
 2. Notre Dame will win all of its football games.
-

C. Notre Dame will win the national title. (1,2)

Is the argument sound?

an argument is
valid when it is
impossible for its
premises to be
true and its
conclusion false

an argument is
sound when it is
valid and all of its
premises are true

C. Notre Dame will win the national title. (1,2)

If Notre Dame wins all its football games, it will win the national title

2. Notre Dame will win all games.
