

5. God knowing that we will perform some action necessitates that we will perform that action.

4. If we have no choice about some facts, and those facts necessitate X , we have no choice about X .

1. We have no choice about
past facts.

2. In the past, God had foreknowledge of our future actions.

3. We have no choice about God's knowing that in the future I will perform a certain action. (1,2)

But now focus on premises 3, 4, and 5.

Premise 4 says that if both those things are the case, then we also have no choice about that future action.

Premise 3 mentions something that we
have no choice about.

Premise 5 says that this thing necessitates
a future action of ours.
