does free
will explain
any evil?

A large orange circle with a subtle drop shadow, containing the text "does free will explain all evil?" in white, bold, sans-serif font.

**does free
will explain
all evil?**

For every evil in the world, there
is some greater good which even
God could not have brought
about without allowing that evil.

The key premise of the last version of the argument from evil

we considered was this one:

This says that there is some evil which is such that there is no greater good that God could not have brought about without allowing that evil.

So, one who denies (9^*) is committed to the following claim:

The key question is what this could be.

9*. Some pointless evil that
is possible to eliminate

**Free will
cannot
explain any
evil.**

Free will can explain some evil; but it can't explain all of the evil we find in the world.

the basic
idea

God. It can explain that, it seems, if we make the following assumption:

there could be evil in a world with a omnipotent and perfectly good

Summing up so far: we have seen that Frege will promise to explain how

there are possible
situations which an
omnipotent
being cannot
bring about

we have
free will

free will is
a great good

the ability
to harm others
is a great good
